**Director of Tennis:** Ramon Gomez: 787-616-5203

**Email:** BayAreaRacquetClub@yahoo.com

## **About Junior Team Tennis:**

USTA Junior Team Tennis (JTT) is the largest national youth tennis league and is played in all 50 states. When your child plays JTT, they have the opportunity to advance with their team to citywide & statewide championships, and even national championships (Spring season ONLY).

**JOIN THE BARC TEAM:** This amazing supplemental match play program is designed to provide competitive match opportunities in a team setting. There are a limited number of positions available on each team. We will offer intermediate and advanced travel teams and developmental in house teams.

**JTT Intermediate Level:** This level is for players playing in local and Challenger level tournaments with a good understanding of the game. Typically an intermediate player has earned minimum 9 Challenger points.

**JTT Advanced Level:** players qualified to play Champ & Super Champ tournaments.

**JTT In-House Developmental Level:** This level is designed to help prepare players for future season travel teams. All matches will be played at BARC, Sunday afternoons 3:30 to 5 PM. Players are not required to become members of United States Tennis Association. Season will run minimum six weeks on selected Sunday afternoons per master schedule to be determined February 2017.

*We utilize the JTT programs as an amazing Sunday match play program designed to provide competitive match opportunities to compliment players training in the Bay Area Racquet Club Academy programs!*

## **Travel Team Additional Info/Dates:**

- All players must register for Spring 2017 season by January 29, 2017.
- Sunday, January 29, Mandatory Team Practice 3:00 p.m. & Parent Meeting 4:30p.m.
