Payment Details:

- When paying monthly dues, all members must pay first and last month dues up front.
- When joining the club, a credit card will be required to be put on file. The card will not be charged unless dues are not received before the 5th of each month.
- For all items that a membership account charges during the month, the credit card on file will be charged for the balance in full on the 5th of the month.
- Members may pre-pay funds towards their account and use as a debit.
